

Health and Safety Policy Statement

The Directors of OnSite Support Ltd recognise their responsibilities under current Health & Safety legislation and will endeavour to:

- Establish and implement a Health and Safety Management System to manage the risks associated with premises and activities of the business
- Regularly monitor performance and revise our Health and Safety Management Systems as necessary to ensure continual improvement
- Provide sufficient resources to meet the requirements of current Health and Safety legislation and aim to achieve the standards of 'Good Practice' applicable to our activities
- Actively promote an open attitude to Health and Safety issues, encouraging staff to identify and report hazards to create and maintain a safe working environment
- Communicate and consult with staff on all issues affecting their health and safety and, in so doing, bring this policy to their attention
- Provide adequate staff training to enable individuals to work competently, confidently, effectively and safely
- Carry out and regularly review risk assessments to identify hazards and existing control measures
- Prioritise, plan and complete any corrective actions required to reduce risk to an acceptable level
- Maintain our premises and work equipment to a standard that ensures that risks are effectively managed
- Ensure that responsibilities for Health and Safety are allocated, understood, monitored and fulfilled
- Retain access to competent advice to ensure we are aware of relevant changes in legislation and 'Good Practice'
- Co-operate with other organisations to ensure that they are aware of any risks to their staff and other people posed by our activities and confirm to them that we comply with relevant legislation.

The Directors recognise that Health & Safety within the workplace is of paramount importance and that it is the responsibility of all employees, when at work, to:

- Take reasonable care with regard to their own safety
- Take reasonable care of the safety of others who may be affected by the actions of individuals
- Co-operate so that the business complies with legal duties
- Ensure that they do not interfere with or misuse anything provided in the interests of health and safety.
